Care of Trans Adults
Topic Summary
BMJ Best Practice

Trans & Gender-
Diverse Patients
ClinicalKey

Gender Dysphoria
Topic Summary
DynaMed

International Journal of
Transgender Health
via **BrowZine**

Our Clinical and Evidence Based Information Service (CEBIS) can support you with the evidence you need to deliver gender-affirming care.

Whether you have a question about the best treatment option for a particular patient, a difference of opinion with a colleague about the "best" approach to a clinical intervention or you want to ensure that you are up to date on the latest research – CEBIS has you covered. Get in touch: **CEBIS@uhcw.nhs.uk**
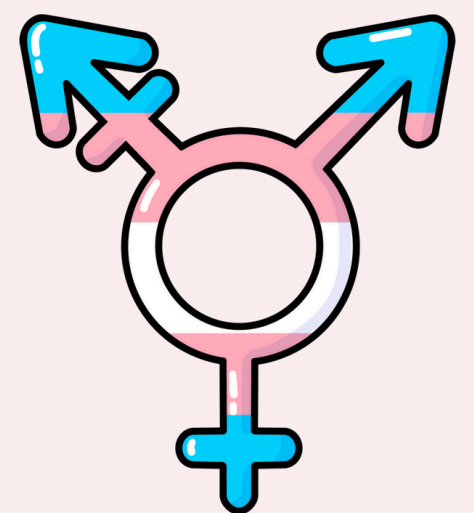

Trans Awareness Resources

Further Support from UHCW Library

Need to carry out a more detailed search for resources on gender diversity?

We offer a range of specialist databases for more detailed literature searching. See what's available at **uhcwlibrary.org/databases**

We can also provide training in literature searching and critical appraisal and support you to set up journal clubs, get your work published, prepare business cases for service improvement, write patient information, develop guidelines and much more. Get in touch: **library@uhcw.nhs.uk**
